RE: Oil Scouts Golf Tournament

Dear Karen,

Thank you for making Texas TickKids the recipient of the fund raising proceeds at your recent golf tournament. We have grown tremendously in the past 15 months and much of that growth is thanks to donors like your organization. The continued support of the Oil Scouts is important to TickKids and the youth that benefit from event tickets throughout the year.

Texas TickKids, Inc. is a nonprofit 501(c)(3) organization formed to enhance the quality of children's lives by providing tickets to children's charities in order that they may experience cultural and sporting events that may not be available to them otherwise. By doing so, we introduce children to arts, sports and other events that may change the course of their lives and provide a positive foundation for their futures.

Very truly yours,

TEXAS TICKIDS, INC.
EIN #48-1264598
